VIRTUAL VBER EVENT – Everything you need to know about 1 year VBER!

We hope that all of you enjoyed our second Virtual VBER event of 12 October 2023.

In a 2-hour lunch session the DLC contributors guided all participants through the most frequently asked questions which DG COMP has received in the past year on the VBER and the Vertical Guidelines.

With more than 300 attendees participating to our free, online event it is fair to say that our lunch seminar was an absolute success!

We would like to thank our moderator Filip Tuytschaever and our speakers Moritz Lorenz, Stefanie Colaers, Victoria Mertikopoulou, Ioanna Kyriakidou, Polyvios Panayides, Minos van Joolingen, Maria Rosaria Raspanti, Triinu Järviste, Fredrik Lindblom, Sanna Frånlund (fd. Widén), Irena Gajewska, Spela Remec and Vladislav Bernard for their very interesting, pragmatic and relevant presentations.

Have you missed last week's Virtual VBER event? Do not worry! A recording of the entire event and a copy of the speakers' slides are made available on our DLC website. Check it out and also be sure to look out for any future events on the DLC LinkedIn page and website.
